

ROSARY SCHOOL – Abu Dhabi

OCCUPATIONAL SAFETY AND HEALTH POLICY

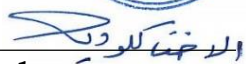

Rosary School – Abu Dhabi (RSAD) are committed to provide and maintain a healthy and safe working environment to all its employees. This commitment extends to students, contractors, visitors, public and other relevant interested parties that are associated to our business operations and has access on the school premises.

To do this responsibility, RSAD shall:

- ensure adequate OSH resources and support are provided to develop, establish, implement and maintain an effective Occupational Health and Safety Management System.
- comply with all the relevant health and safety regulations and legislations applicable to the school activities and operations.
- implement an effective risk management program to prevent injuries and ill health in the work place.
- set measurable objectives and targets to improve our OSH performance and monitor the achievement through periodic review.
- involve and consult employees, students, contractors and concerned stakeholders on health and safety improvements and interventions.
- enhance awareness, skill and competence of our employees through effective training and awareness and operational procedures.
- develop programs to enhance employees and students' health and wellbeing.
- periodically review the effectiveness of the OSH Management System to facilitate continual improvement.

This OSH Policy will be communicated to employees and will be made available to relevant stakeholders. Top Management shall review this policy annually to ensure its suitability and revised when deemed necessary.
